

Global Antitrust Institute comments on Vietnam's competition law amendments

Jurisdiction : - Asia /South East Asia /Vietnam

Issuing entity(ies) : - Global Antitrust Institute, George Mason University School of Law

Document Type : - Statement

8 May 17 | 04:23 GMT

IN BRIEF

MLex Summary: The Global Antitrust Institute of George Mason University has submitted comments to the Vietnam Competition Authority on its proposed amendments to the Competition Law of Vietnam. The GAI strongly urged that the definitions of market power and of dominant market position be revised to align with modern economic understanding of those terms, and counselled a shift away from using market shares alone to predict whether a firm possesses market power or is likely to increase prices.

The comments are attached.
